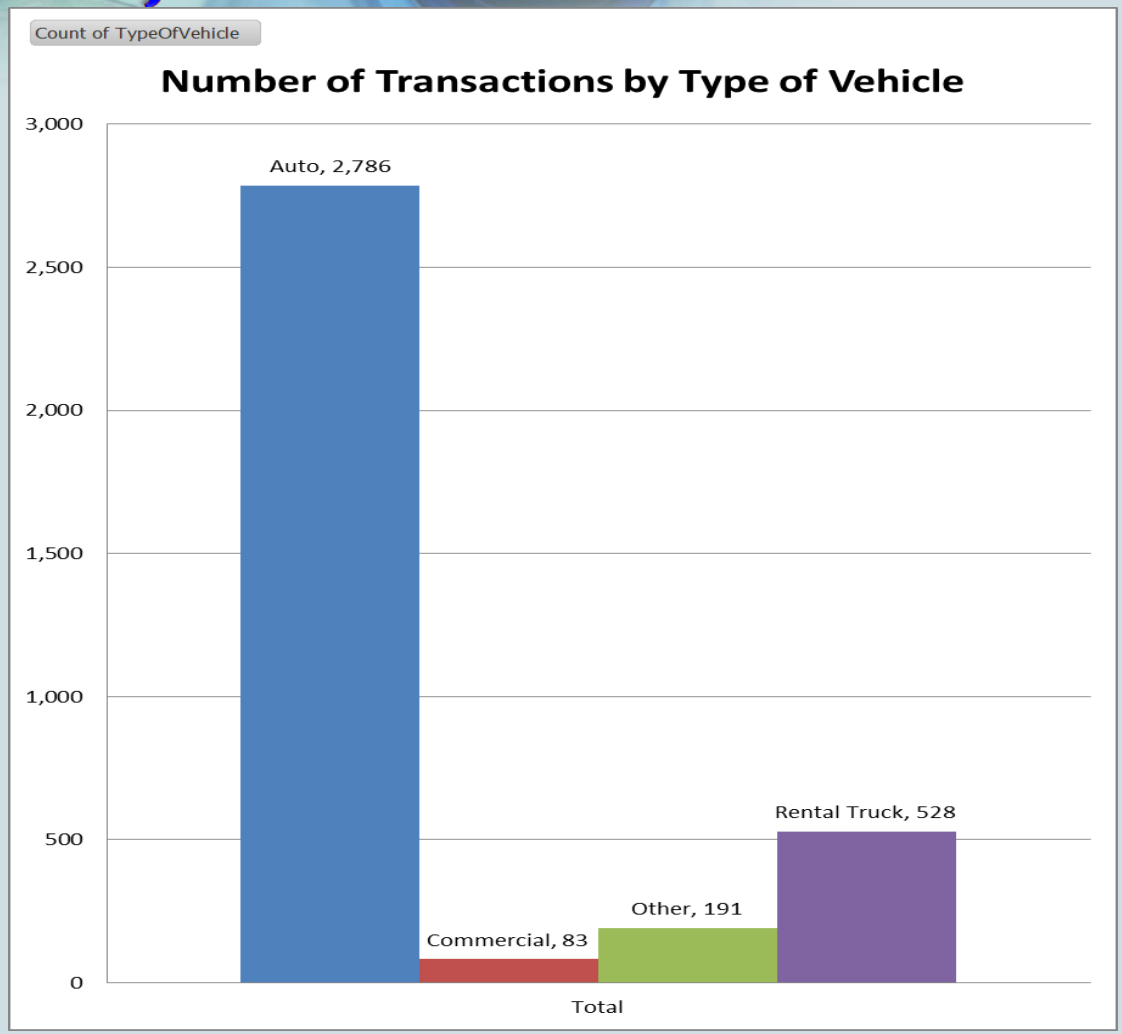
CDFA BPS PILOT PROGRAM DATA

JULY – SEPTEMBER 2011



CalRecycle

STOP

OVERVIEW - STATUTE

- **PRC Section 14596:**
  - **Assembly Bill 1933 (Gordon)**
  - **> 25** lbs. of empty AL, PL, or bimetal; **> 250** lbs. of glass
  - Shall pass through CDFA Border Station
  - Opportunity for inspection

Importer is in violation of Statute if:

- Fails to stop at or willfully avoids Border Station
- Fails to stop upon demand of officer

CalRecycle

OVERVIEW – REGULATIONS

- Importer must:
  - Declare and offer the material for inspection by CDFA.
  - Provide an accurate/complete Imported Material Report (IMR) to CDFA Border Station and obtain Proof of Inspection.
  - Have a certified weight ticket if material is over 100 pounds.
  - Deliver material with all required documents to location designated on IMR.

CalRecycle
